Re: Inspection and File Closure for the Truman/Carter Mine, Karl Truman and Ted Carter, Truman/Carter Mine, S/021/022, Iron County, Utah

Dear Mr. Cammack:

Karl Truman and Ted Carter, operators of the Truman/Carter Mine, have requested that the Division of Oil, Gas and Mining inspect the mine and close its file for this site. Our records indicate you own the surface land at this mine located in Section 16, Township 31 South, Range 15 West, SLBM. We would like to schedule an inspection for the purpose of determining whether reclamation meets regulatory requirements. We have tried unsuccessfully to contact you by telephone, so the purpose of this letter is to inform you that we intend to inspect the site and invite you to participate.

We plan to conduct the inspection some time during September 2001. If you would like to participate or provide comments, please contact me at 801-538-5261 or at the Division's address shown above.

Sincerely,

Paul B. Baker  
Senior Reclamation Biologist
